

There are three ways to pay:-

- 1 **By cheque.** This should be in UK currency and sent to the address at the top of the invoice, made payable to "Advanta" and preferably be accompanied by a copy of the invoice. To ensure that it is correctly allocated it would be helpful if you would write your account reference number (described as "Ref" in the top right hand corner of the invoice) on the reverse side of the cheque.
  
- 2 **By credit/debit card.** Please telephone this office on +44 (0)1323 411222. Please have your credit/debit card to hand and also quote your account reference number to ensure that we correctly allocate your payment.
  
- 3 **By internet banking or BACS.** Your payment should be made quoting the following:  
Account name: Advanta  
Bank: National Westminster Bank, Eastbourne Town Centre Branch  
Sort code: 52.41.00  
Account number: 40092585

It is extremely important that you quote your account reference number (described as "Ref" in the top right hand corner of the invoice) when making your payment to enable us to allocate your payment. We receive no other information from your bankers.

Transfers from non UK banks should also quote:  
IBAN number: GB57NWBK 524100 40092585  
SWIFT/BIC number: NWBKGB2L

The receiving bank, NatWest, make a charge for receiving international fund transfers of £1 (for transfers under £100), or £7 (for transfers of £100 or more). You should therefore tell your paying bank that you will bear the charge of the receiving bank.
